

# *Chic* ART PRINTS

## Catalogue

May 2023

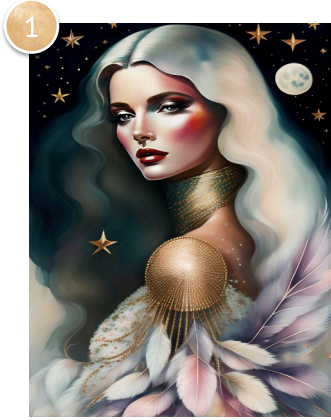

The **Magical Portraits series** by **Chic Art Prints** is a stunning collection of feminine portraits that have been infused with a touch of magic and cosmic elements, as well as romantic floral blooms. Each piece in the series is designed to transport you to another world, one where fantasy and reality seamlessly blend together to create something truly enchanting.

In addition to the magical and cosmic elements, the series also draws inspiration from vintage poster art, which is reflected in the design and composition of each print. This gives the series a timeless and classic feel that is perfect for those who appreciate both classic and modern design.

Whether you're a fan of astrology, magic, or just appreciate the beauty of feminine portraits, the Magical Portraits series has something for everyone. Each print is produced in a limited edition of 50, making them truly unique and exclusive works of art. Choose from a range of sizes and framing options to suit your style and budget.

The **Golden Art Deco series** by Chic Art Prints features stunning digital art prints that combine the opulence and glamour of the Art Deco era with contemporary design elements. Each piece showcases beautiful, stylized depictions of women with flowing hair and bold, confident expressions. The use of gold metallics and gradients adds depth and dimension to the artwork, making it truly eye-catching and unique.

These prints are perfect for adding a touch of elegance and sophistication to any space, whether it be a living room, bedroom, or office. The Golden Art Deco series is a must-have for anyone looking to incorporate stylish and on-trend art into their home decor.

Each print is produced in a limited edition of 50, making them truly unique and exclusive works of art. Choose from a range of sizes and framing options to suit your style and budget.
